STAT

All members of the Senior Intelligence Service (SIS) serve at the pleasure of the DCI and thus are on a continuing probationary period throughout their SIS careers. Officers promoted to the SIS, therefore, do not serve a specific SIS trial period. SIS Notice No. 15 should have indicated that although the one-year SIS trial period requirement for officers promoted to the SIS is discontinued, new SIS-level hires (appointees) are required to complete the standard three-year Agency trial period described in [REDACTED] OPM No. 20-2-10 for all new employees.
